Take a Thrilling Cruise on Abracadabra or Stars and Stripes

Two of you will sail around San Diego's stunning bay on a real America's Cup Yacht. Abracadabra, built in Honolulu in 1999, raced in the 2000 America's Cup in Auckland, New Zealand, while Stars and Stripes, arguably the most widely-recognized name among all American sailing vessels, went to Australia in 1987 and won back the America's Cup in Fremantle, defeating the Australia's Kookaburra III. These are exhilarating racing yachts and this is your chance to take in the unforgettable experience of sailing on one of the fastest mono-hull sailing vessels in the world. So sit back, relax and hold on to your hat as you glide quietly and effortlessly through San Diego Bay, breezing by popular landmarks, attractions, and military points of interest.

The America's Cup Sailing Experience is offered year-round, subject to availability. Sails typically take place at 11:00 AM or 12:00 PM. The America's Cup Sailing Experience has a sail time of approximately 2 hours and a total duration of approximately 2½ hours. Participation in the America's Cup Sailing Experience is limited to individuals 3 years of age or older.
